

The Go Glass & Accessories Concept was established in 2003 and currently encompasses 14 markets in Ontario and 1 in Nova Scotia. We are currently in a period of rapid growth and aggressively looking for qualified independent business professionals.

### **Why GO Glass & Accessories?**

- Proven management systems to help realize true profit potential
- Minimal initial investment
- A nationally recognized image that will install confidence in customers
- Professionally prepared marketing and sales programs
- Extensive continuous training programs
- National and regional advertising campaigns
- Pre-negotiated purchasing programs to increase profitability
- On-line ordering and inventory
- 30 years of proven success in the auto glass industry
- State of the art point of sale and accounting systems
- Opportunities to interact with other Go Glass & Accessories business owners; you'll be in business *for yourself, not by yourself*

### **A name customers have learned to trust.**

Community involvement and a national image are tools every successful business requires. It is imperative that you take advantage of our systems and training programs while developing a positive image locally.
