

You are in Business for yourself, not by yourself

- As part of the Go Glass & Accessories family you are a member of independent business professionals with a wealth of experience. With on going communication with each other through regular conference calls, regional meetings and internet. The sharing of ideas, experiences and advice benefits everyone.

Professional Marketing Systems

- Go Glass & Accessories will provide you with professionally developed advertising, marketing and promotional ad materials. This allows you to promote yourself locally while maintaining a national image, building strength and value within your business.

Training and Support

- As a Go Glass & Accessories franchise it enables you to take advantage of several programs other independent auto glass locations do not have access to. Go Glass has a professionally trained team that will assist you in putting forward financial, marketing, management and customer strategy programs.

Continued Support

- Once the signs are up, the ads are placed and the systems are in installed, Go Glass & Accessories head office has the experienced staff that will continue to provide comprehensive training and support that is only a phone call away should a situation arise.

Go Glass & Accessories is coming to your area soon. For more information on becoming an associate of a growing system, please contact me today.
